OBJECTIVE

As an Honors student in the IT department with a strong passion for programming, I am seeking a challenging and rewarding position that will allow me to learn new things and utilize my skills in both frontend and backend programming languages.

I am eager to apply my technical expertise and analytical skills to contribute to a dynamic team and drive the success of any project. Furthermore, I am highly motivated and adaptable, possessing excellent problem-solving and communication skills, which enable me to collaborate effectively with colleagues and clients.

Overall, I am committed to continuous learning and development in the IT field, and I am excited about the opportunity to grow both personally and professionally within a challenging and dynamic work environment.

Mar 2023

Java App • College Honors Project

Created a JavaFX app that connects to the OpenAI API, allows manipulating the AI response via sliders for temperature and max tokens. [Github](#)

Sep 2018 – Oct 2018

Discord Bot • Personal Project

As a personal project I have created a discord bot using JS, hosted off my computer via Node.js. [Github](#)

ADDITIONAL SKILLS

Fluent English

Fluent Croatian

Beginner Spanish

4+ Years Adobe Photoshop

4+ Years Sony Vegas Pro

1+ Years Adobe Illustrator

Examples: [Google Drive](#)

EDUCATION

RIT Croatia, 2022 – Expected 2026

- Web and Mobile Computing, Informational Technology
- All classes in English

Technical School Ruđer Bošković, 2018 – 2022

- Computer Technician, Informational Technology

COMMUNICATION

In addition to my experience working on team projects and my understanding of the importance of communication in project success, I am a communicative and extroverted person. I enjoy engaging with team members and I am comfortable expressing my ideas and thoughts in a clear and concise manner. I believe that my outgoing personality allows me to build strong relationships with team members, which ultimately leads to more effective collaboration and project outcomes. Overall, I am confident in my ability to communicate effectively and build strong relationships in any team environment.
